DEFINITIONS

Completed Year - the succeeding twelve months from the date on which we receive a Premium payment. Completed Years specify the years from the date of receipt of the Premium and does not refer to Contract Years.

Contract - the individual deferred variable and fixed annuity contract and any optional endorsements you may have selected.

Contract Anniversary – each one-year anniversary of the Contract’s Issue Date.

Contract Year – the succeeding twelve months from a Contract’s Issue Date and every anniversary. The first Contract Year (Contract Year 0-1) starts on the Contract’s Issue Date and extends to, but does not include, the first Contract Anniversary. Subsequent Contract Years start on an anniversary date and extend to, but do not include, the next anniversary date.

For example, if the Issue Date is January 15, 2025, then the end of Contract Year 0-1 would be January 14, 2026, and January 15, 2026, which is the first Contract Anniversary, begins Contract Year 1-2.

Fixed Account – part of our General Account to which the Contract Value you allocate is guaranteed to earn a stated rate of return over the specified period. The Fixed Account consists of the Fixed Account Options.

Fixed Account Option – a Contract option within the Fixed Account for a specific period under which a stated rate of return will be credited.

Fund – a registered investment company in which an Investment Division of the Separate Account invests.

General Account – the General Account includes all our assets, including any Contract Value allocated to the Fixed Account, which is available to our creditors.

Investment Division – one of multiple variable options of the Separate Account to allocate your Contract’s value, each of which exclusively invests in a different available Fund. The Investment Divisions are called variable because the return on investment is not guaranteed.

Issue Date – the date your Contract is issued.

Jackson, JNL, we, our, or us - Jackson National Life Insurance Company. (We do not capitalize “we,” “our,” or “us” in the prospectus.)

Owner, you, or your - the natural person or legal entity entitled to exercise all rights and privileges under the Contract. Any reference to the Owner includes any joint Owner.

Premium(s) - considerations paid into the Contract by or on behalf of the Owner.

Separate Account – Jackson National Separate Account - I. The Separate Account is divided into sub-accounts generally referred to as Investment Divisions.

IMPORTANT INFORMATION YOU SHOULD CONSIDER ABOUT THE CONTRACT

	FEES AND EXPENSES	LOCATION IN PROSPECTUS		
Charges for Early Withdrawals	If you withdraw money from your Contract within 7 Complete Years following your last Premium payment, you will be assessed a withdrawal charge. The maximum withdrawal charge is 8.5% of the Remaining Premium withdrawn during the first Completed Year. For example, if you make an early withdrawal within the first Completed Year, you could pay a withdrawal charge of up to \$8,500 on a \$100,000 investment. The withdrawal charge then declines by 2%, 1%, or 0.5% per year for each additional Completed Year, until the end of the seventh Completed Year, after which no charge is made.	<u>Contract Charges-Transaction Expenses: Withdrawal Charge</u>		
Transaction Charges	This Contract is not designed for short-term investing and is not appropriate for an investor who needs ready access to cash. The benefits of tax deferral and living benefit protections also mean the Contract is more beneficial to investors with a long time horizon.	<u>Contract Charges-Transaction Expenses</u>		
Ongoing Fees and Expenses (annual charges)	The table below describes the fees and expenses that you may pay <i>each year</i> , depending on the options you choose.
