DEFINITIONS

Completed Year - the succeeding twelve months from the date on which we receive a Premium payment. Completed Years specify the years from the date of receipt of the Premium and does not refer to Contract Years.

Contract - the individual deferred variable annuity contract and any optional endorsements you may have selected.

Contract Anniversary – each one-year anniversary of the Contract’s Issue Date.

Contract Year – the succeeding twelve months from a Contract’s Issue Date and every anniversary. The first Contract Year (Contract Year 0-1) starts on the Contract’s Issue Date and extends to, but does not include, the first Contract Anniversary. Subsequent Contract Years start on an anniversary date and extend to, but do not include, the next anniversary date.

For example, if the Issue Date is January 15, 2026, then the end of Contract Year 0-1 would be January 14, 2027, and January 15, 2027, which is the first Contract Anniversary, begins Contract Year 1-2.

Fixed Account – part of our General Account to which the Contract Value you allocate is guaranteed to earn a stated rate of return over the specified period. The Fixed Account consists of the Fixed Account Options.

Fixed Account Option – a Contract option within the Fixed Account for a specific period under which a stated rate of return will be credited.

Fund – a registered investment company in which an Investment Division of the Separate Account invests.

General Account – the General Account includes all our assets, including any Contract Value allocated to the Fixed Account, which is available to our creditors.

Investment Division – one of multiple variable options of the Separate Account to allocate your Contract’s value, each of which exclusively invests in a different available Fund. The Investment Divisions are called variable because the return on investment is not guaranteed.

Issue Date – the date your Contract is issued.

Jackson, JNL, we, our, or us - Jackson National Life Insurance Company. (We do not capitalize “we,” “our,” or “us” in the prospectus.)

Owner, you, or your - the natural person or legal entity entitled to exercise all rights and privileges under the Contract. Any reference to the Owner includes any joint Owner.

Premium(s) - considerations paid into the Contract by or on behalf of the Owner.

Separate Account – Jackson National Separate Account - I. The Separate Account is divided into sub-accounts generally referred to as Investment Divisions.

Fund Changes

Effective April 28, 2025, the following changes were made to the Funds available under the Contract:

Fund Availability Changes

Effective April 28, 2025, the Investment Divisions of the Separate Account investing in **JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/WMC Global Real Estate Fund, and the JNL Multi-Manager International Small Cap Fund, will stop accepting any additional allocations or transfers.** All other Investment Divisions of the Separate Account will remain available.

Amounts invested in the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund as of April 28, 2025 will remain invested unless we receive instruction from you. You may continue to make transfers and withdrawals out of these Investment Divisions in connection with the usual transactions under your Contract, such as partial withdrawals or withdrawals under a Guaranteed Minimum Withdrawal Benefit (GMWB), if available. **However, if you transfer out of any of these Investment Divisions on or after April 28, 2025, you will not be able to transfer back in.**

If you make a subsequent Premium payment and have future allocation instructions on file with us that include allocations to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, you must choose a replacement Investment Division by April 28, 2025. If we do not receive updated allocation instructions from you by April 28, 2025, all allocations prior to our receipt of updated allocation instructions will be allocated to the JNL/Dreyfus Government Money Market Investment Division. Please consult your representative promptly to assist you in subsequently reallocating the Contract Value in the JNL/Dreyfus Government Money Market Investment Division to any other available Investment Division.

If you currently have an automatic program, such as Dollar Cost Averaging, Dollar Cost Averaging Plus, Earnings Sweep, or Rebalancing, and it includes allocations to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, you can continue to invest in these Investment Divisions based on your existing election until you revise or terminate the automatic program.

If you have elected the LifeGuard Select, Jackson Select, or Jackson Select Protector GMWB, automatic transfers apply under the Transfer of Assets provision. The automatic transfers are allocated based on your future allocation instructions, described in the preceding paragraph. Therefore, when you change your allocation instructions for subsequent Premium payments, you will also be changing your instructions under the Transfer of Assets provision. Prior to our receipt of new future allocation instructions, the automatic transfers will continue to be based on your existing instructions.

If an application for a Contract is received on or after April 28, 2025, or if a pending application is not in good order by April 28, 2025, and it includes an allocation to the JNL/BlackRock Global Natural Resources Fund, JNL/First Sentier Global Infrastructure Fund, JNL/WMC Global Real Estate Fund, or the JNL Multi-Manager International Small Cap Fund, those allocations will be allocated to the JNL/Dreyfus Government Money Market Investment Division. Please consult your representative promptly to assist you in subsequently reallocating the Contract value in the JNL/Dreyfus Government Money Market Investment Division to any other available Investment Division.

Because your Contract is customizable, the choices you make affect how much you will pay. To help you understand the cost of owning your Contract, the following table shows the lowest and highest cost you could pay each year, based on current charges. This estimate assumes that you do not take withdrawals from the Contract, which could add surrender (withdrawal) charges that substantially increase costs.

	RISKS	Location in Prospectus
Risk of Loss	You can lose money by investing in this Contract.	<u>Principal Risks</u>
Not a Short-Term Investment	This Contract is not designed for short-term investing and is not appropriate for an investor who needs ready access to cash. Withdrawal charges apply for up to 7 years following your last Premium payment. They will reduce the value of your Contract if you withdraw money during that time. The benefits of tax deferral and living benefit protections also mean the Contract is more beneficial to investors with a long time horizon.	<u>Principal Risks</u>
Risks Associated with Investment Options	<ul style="list-style-type: none"> An investment in this Contract is subject to the risk of poor investment performance and can vary depending on the performance of the investment options you choose. Each investment option (Investment Divisions and Fixed Account Options) has its own unique risks. Early withdrawals from a Fixed Account Option are subject to a Market Value Adjustment. You should review the investment options before making an investment decision. 	<u>Principal Risks</u>
Insurance Company Risks	Any obligations (including under the Fixed Account Options), guarantees, and benefits of the Contract are subject to the claims-paying ability of Jackson. More information about Jackson is available upon request by visiting our website at <u>www.jackson.com</u> or by calling 1-800-644-4565.	<u>Principal Risks</u>
	RESTRICTIONS	Location in Prospectus
Investments	<ul style="list-style-type: none"> We reserve the right to charge \$25 for each transfer when you transfer money between Investment Divisions in excess of 25 times in a Contract Year. Jackson may remove or substitute Funds as investment options available under the Contract, and may limit or suspend availability of the Fixed Account Options. 	<u>Principal Risks</u>
Optional Benefits	<ul style="list-style-type: none"> Certain benefits may limit withdrawals or other rights under the Contract. Under certain benefits, a withdrawal could reduce the value of a benefit by more than the dollar amount of the withdrawal. Not all add-on benefits are available through all broker-dealers and may vary by state or date of purchase. We may modify or discontinue an add-on benefit at any time. 	<u>Benefits Available Under the Contracts</u>
	TAXES	
Tax Implications	<ul style="list-style-type: none"> Consult with a tax professional to determine the tax implications of an investment in and purchase payments received under this Contract. If you purchase the Contract through a tax-qualified plan or individual retirement account (IRA), you do not get any additional tax deferral. Earnings on your Contract are taxed at ordinary income tax rates when you withdraw them, and you may have to pay a penalty if you take a withdrawal before age 59 ½. 	<u>Taxes</u>
	CONFLICTS OF INTEREST	
Investment Professional Compensation	Your financial professional or other investment professionals may receive compensation for selling this Contract to you in the form of commissions, revenue sharing, and other compensation programs. Accordingly, investment professionals may have a financial incentive to offer or recommend this Contract over another investment.	<u>Distribution of Contracts</u>
Exchanges	Some investment professionals may have a financial incentive to offer you a new contract in place of the one you own. You should only consider exchanging your contract if you determine, after comparing the features, fees, and risks of both contracts, that it is in your best interest to purchase the new contract rather than continue to own your existing contract.	<u>Non-Qualified Contracts - 1035 Exchanges</u>

APPENDIX A

FUNDS AVAILABLE UNDER THE CONTRACT

The following is a list of Funds (all Class A shares) available under the Contract, which is subject to change, as discussed in the prospectus. Certain broker-dealers selling the Contracts may limit the Investment Divisions that are available to their customers. You can find the prospectuses and other information about the Funds online at <https://www.jackson.com/fund-literature.html>. You can also request this information at no cost by calling 1-800-644-4565 or by sending an email request to ProspectusRequest@jackson.com.

The current expenses and performance information below reflects fees and expenses of the Funds, but does not reflect the other fees and expenses that your Contract may charge. Expenses would be higher and performance would be lower if these charges were included. Each Fund's past performance is not necessarily an indication of future performance.
