APPENDIX A (FUNDS AVAILABLE UNDER THE CONTRACT)	A-1
BACK COVER PAGE	B-1

DEFINITIONS

Completed Year - the succeeding twelve months from the date on which we receive a Premium payment. Completed Years specify the years from the date of receipt of the Premium and does not refer to Contract Years.

Contract - the individual deferred variable and fixed annuity contract and any optional endorsements you may have selected.

Contract Anniversary – each one-year anniversary of the Contract’s Issue Date.

Contract Year – the succeeding twelve months from a Contract’s Issue Date and every anniversary. The first Contract Year (Contract Year 0-1) starts on the Contract’s Issue Date and extends to, but does not include, the first Contract Anniversary. Subsequent Contract Years start on an anniversary date and extend to, but do not include, the next anniversary date.

For example, if the Issue Date is January 15, 2026, then the end of Contract Year 0-1 would be January 14, 2027, and January 15, 2027, which is the first Contract Anniversary, begins Contract Year 1-2.

Fixed Account – part of our General Account to which the Contract Value you allocate is guaranteed to earn a stated rate of return over the specified period. The Fixed Account consists of the Fixed Account Options.

Fixed Account Option – a Contract option within the Fixed Account for a specific period under which a stated rate of return will be credited.

Fund – a registered investment company in which an Investment Division of the Separate Account invests.

General Account – the General Account includes all our assets, including any Contract Value allocated to the Fixed Account, which is available to our creditors.

Investment Division – one of multiple variable options of the Separate Account to allocate your Contract’s value, each of which exclusively invests in a different available Fund. The Investment Divisions are called variable because the return on investment is not guaranteed.

Issue Date – the date your Contract is issued.

Jackson of NY, JNLNY, we, our, or us – Jackson National Life Insurance Company of New York. (We do not capitalize “we,” “our,” or “us” in the prospectus.)

Owner, you, or your - the natural person or legal entity entitled to exercise all rights and privileges under the Contract. Any reference to the Owner includes any joint Owner.

Premium(s) - considerations paid into the Contract by or on behalf of the Owner.

Separate Account – JNLNY Separate Account I. The Separate Account is divided into sub-accounts generally referred to as Investment Divisions.

UPDATED INFORMATION ABOUT YOUR CONTRACT

The information in this Updating Summary Prospectus is a summary of certain Contract features that have changed since the prospectus dated October 21, 2024. This may not reflect all of the changes that have occurred since you entered into your Contract.

IMPORTANT INFORMATION YOU SHOULD CONSIDER ABOUT THE CONTRACT

	FEES AND EXPENSES			LOCATION IN PROSPECTUS
Charges for Early Withdrawals	If you withdraw money from your Contract within 5 Complete Years following your last Premium payment, you will be assessed a withdrawal charge. The maximum withdrawal charge is 6.5% of the Remaining Premium withdrawn during the first Completed Year. For example, if you make an early withdrawal within the first Completed Year, you could pay a withdrawal charge of up to \$6,500 on a \$100,000 investment. The withdrawal charge then declines by 1% or 0.5% per year for each additional Completed Year, until the end of the fifth Completed Year, after which no charge is made.			Contract Charges-Transaction Expenses: Withdrawal Charge
Transaction Charges	In addition to withdrawal charges, you also may be charged for other transactions, such as when you transfer cash value between investment options more than 25 times a year, or if you request expedited delivery or wire transfer of funds.			Contract Charges-Transaction Expenses
Ongoing Fees and Expenses (annual charges)	The table below describes the fees and expenses that you may pay <i>each year</i> , depending on the options you choose. Please refer to your Contract Data Pages for information about the specific fees you will pay each year based on the options you have elected.			Contract Charges-Optional Benefit Expenses
	ANNUAL FEE	MINIMUM	MAXIMUM	
	1. Base Contract ¹	1.01%	1.01%	Contract Charges-Annual Contract Expenses: Mortality and Expense Risk Charge
	2. Investment options (Fund fees and expenses) ²	0.52%	2.28%	Contract Charges-Fund Expenses
	3. Optional benefits available for an additional charge (for a single optional benefit, if elected) ³	0.25%	0.25%	Contract Charges-Optional Benefit Expenses
	1. As a percentage of average daily Contract Value of the Investment Divisions. 2. As a percentage of average Fund net assets. 3. The minimum and maximum fees reflect an annualized percentage of average daily account value of Investment Divisions.			
Because your Contract is customizable, the choices you make affect how much you will pay. To help you understand the cost of owning your Contract, the following table shows the lowest and highest cost you could pay each year, based on current charges. This estimate assumes that you do not take withdrawals from the Contract, which could add surrender (withdrawal) charges that substantially increase costs.				
	LOWEST ANNUAL COST: \$1,442		HIGHEST ANNUAL COST: \$3,039	
	Assumes: • Investment of \$100,000 • 5% annual appreciation • Least expensive combination of Fund fees and expenses • No optional benefits • No sales charges • No additional purchase payments, transfers or withdrawals		Assumes: • Investment of \$100,000 • 5% annual appreciation • Most expensive combination of optional benefits and Fund fees and expenses • No sales charges • No additional purchase payments, transfers or withdrawals	

	RISKS	Location in Prospectus
Risk of Loss	You can lose money by investing in this Contract.	<u>Principal Risks</u>
Not a Short-Term Investment	This Contract is not designed for short-term investing and is not appropriate for an investor who needs ready access to cash. Withdrawal charges apply for up to 5 years following your last Premium payment. They will reduce the value of your Contract if you withdraw money during that time. The benefits of tax deferral and living benefit protections also mean the Contract is more beneficial to investors with a long time horizon.	<u>Principal Risks</u>
Risks Associated with Investment Options	• An investment in this Contract is subject to the risk of poor investment performance and can vary depending on the performance of the investment options you choose. • Each investment option (Investment Divisions and Fixed Account Options) has its own unique risks. • Early withdrawals from a Fixed Account Option are subject to a Market Value Adjustment. • You should review the investment options before making an investment decision.	<u>Principal Risks</u>
Insurance Company Risks	Any obligations (including under the Fixed Account Options), guarantees, and benefits of the Contract are subject to the claims-paying ability of Jackson of NY. More information about Jackson of NY is available upon request by visiting our website at www.jackson.com or by calling 1-800-599-5651.	<u>Principal Risks</u>
	RESTRICTIONS	
Investments	• We reserve the right to charge \$25 for each transfer when you transfer money between Investment Divisions in excess of 25 times in a Contract Year. • Jackson of NY may remove or substitute Funds as investment options available under the Contract, and may limit or suspend availability of the Fixed Account Options.	<u>Principal Risks</u>
Optional Benefits	• Certain benefits may limit withdrawals or other rights under the Contract. Under certain benefits, a withdrawal could reduce the value of a benefit by more than the dollar amount of the withdrawal. • Not all optional benefits are available through all broker-dealers and may vary by date of purchase. • We may modify or discontinue an optional benefit at any time.	<u>Benefits Available Under the Contracts</u>
	TAXES	
Tax Implications	• Consult with a tax professional to determine the tax implications of an investment in and purchase payments received under this Contract. • If you purchase the Contract through a tax-qualified plan or individual retirement account (IRA), you do not get any additional tax deferral. • Earnings on your Contract are taxed at ordinary income tax rates when you withdraw them, and you may have to pay a penalty if you take a withdrawal before age 59 ½.	<u>Taxes</u>

	CONFLICTS OF INTEREST	
Investment Professional Compensation	Your financial professional or other investment professionals may receive compensation for selling this Contract to you in the form of commissions, revenue sharing, and other compensation programs. Accordingly, investment professionals may have a financial incentive to offer or recommend this Contract over another investment.	<u>Distribution of Contracts</u>
Exchanges	Some investment professionals may have a financial incentive to offer you a new contract in place of the one you own. You should only consider exchanging your Contract if you determine, after comparing the features, fees, and risks of both contracts, that it is in your best interest to purchase the new contract rather than continue to own your existing Contract.	<u>Non-Qualified Contracts - 1035 Exchanges</u>

APPENDIX A
